Dear Sir/Madam:

Re: Interruption in Client Services - In House Program

We are writing to inform you, that effective May 15, 2023 our In-House Program will not be available. We will resume our In-House Program on August 14, 2023. This interruption in our Services is necessary in order to update our Air Ventilation System to improve the air quality in our Center.

During this interruption Mawiomí will still prioritize Client Services by offering the following:

- Virtual Clinical & Cultural Workshops
- Community Outreach – On-site Visits, Community Workshops, Talking Circles and more.
- Aftercare Support
- One on One Counselling.
- Online Support

We apologize for any inconvenience this may cause. Mawiomí will continue to provide support and be available through Virtual, Outreach and Aftercare Services.

Please do not hesitate to reach out for any further information you may require.

Sincerely,

Jim Skinner - Wellness Services Manager
