### **Eligibility Requirements**

As part of the application process and before an application will be considered, all applications must be filled completely, applicants must provide a contact telephone number & email address in order to conduct our pre-treatment and medical assessment.

Eligibility to our program includes individuals:

- 18 years of age or more
- Indigenous status
- Individuals with physical disability
- Incarceration/Legal issues
- Opiate Antagonist Therapies (OAT)

### **Admission Procedures**

Admission into treatment is based on an application, which must include the following documents:

- Application for Admission
- Review of application to ensure complete, if not contact referral for missing information
- Provide copies of Status/Beneficiary and/or a letter from their respective community stating Proof of Status, Health Cards and/or temporary coverage.
- Medical Examination
- Authorization for Release of Personal Information
- Informed Consent and Participation Agreement
- Pre-Treatment Assessment (Mandatory telephone interview)
- Medical Assessment by CHUM (Mandatory)
- Final decision is then emailed

Applications coming from the legal or penal system, require the following additional information:

- Official legal summary of past/present sentences and charges pending.
- Confirmation to go on supervised outings, as per his/her/their legal conditions (medical needs)
- Available psycho-social information, including family and social background, current behavior, etc.

The referral worker must provide their contact information (Phone extension and email), send a completed Informed Consent and Participation Agreement with the other admission documents to the Intake Worker.

For the final intake decision, a file will be considered complete once all the admission procedures have been met. Due to the high demand for treatment programs and the long process of assessment, intake will be done a month or two ahead of the intake cycle.

**Consent for Treatment & Release of Information**

I, \_\_\_\_\_ have agreed to enter the Mawiyomi Treatment Centre, in the First Nation community of Gesgapegiag, QC to treat my Alcohol /Drug dependency problem.

I understand that in order for clients and staff to work effectively, the treatment program will include the following:

- a. Counselling assessments – Educational sessions, one on one sessions, and aftercare planning (which includes participation in support groups).
- b. Having contact with referral resources
- c. Maintenance of confidential client records. Including the AMIS System, which include transferring of my AMIS Files between Centres.
- d. The reporting of mandatory reports, this will include the DUSI-R and the NWA.
- e. On-site surveillance Equipment.
- f. And will include random room searches and drug screening when staff are directed by the Wellness Services Manager and/or any staff requested
- g. Allow medical/mental health assessments and information to be shared with the Mawiyomi Team during the course of the treatment program.

I understand that if I need medical attention, the staff will make sure that proper personnel will attend to me, (and/or) I will be transferred to an appropriate facility. It may also include needing to return home if medical issues take precedence over treatment.

I understand that Mawiyomi has rules, treatment expectations, whereby all residents have to abide by.

I understand the explanation of the above and therefore, consent to undergo treatment.
