RE: Renovations at Mawiomí
Date: February 4, 2026

Dear Referrals and Partners,

We are pleased to share that Mawiomí Treatment Services has recently been approved for a series of important facility renovations. These upgrades will include **brand-new client bathrooms**, a **fully renovated kitchen with new appliances**, and **replacement of all windows and exterior doors**. These improvements will significantly enhance the client experience, strengthen health and safety, and support our continued commitment to high-quality, culturally grounded care.

This approval came through on short notice from Indigenous Services Canada (ISC), and we are doing our best to notify our partners as quickly as possible.

Due to the renovation schedule, **Mawiomí will not be accepting clients for the following cycles:**

- **Cycle 3:** April 27 – May 27, 2026
- **Cycle 4:** June 15 – July 15, 2026

Following the renovations, our annual **Summer Closure** will take place from **July 20 – August 7, 2026**.

Please note our next available intake will be Cycle 5, scheduled for **August 24 – September 23, 2026**. **We will start accepting applications for Cycle 5 on June 22, 2026.**

Although we will not be running a residential cycle during the renovation period, **Mawiomí remains open**. Our team will be available should you have questions, need support, or wish to discuss a referral.

Should you have any concerns or questions, I can be reached at 418-759-3522 ext. 101 or melissa@mawiomí.org. Thank you for your understanding and continued partnership as we work to improve our facility for the benefit of all clients and communities we serve.
